WHAT IS HUMAN TRAFFICKING?

- Having to do things or work for someone against your will without getting paid. It's a word for slavery.
- It's a \$150 Billion dollar industry second only to Drug Trafficking

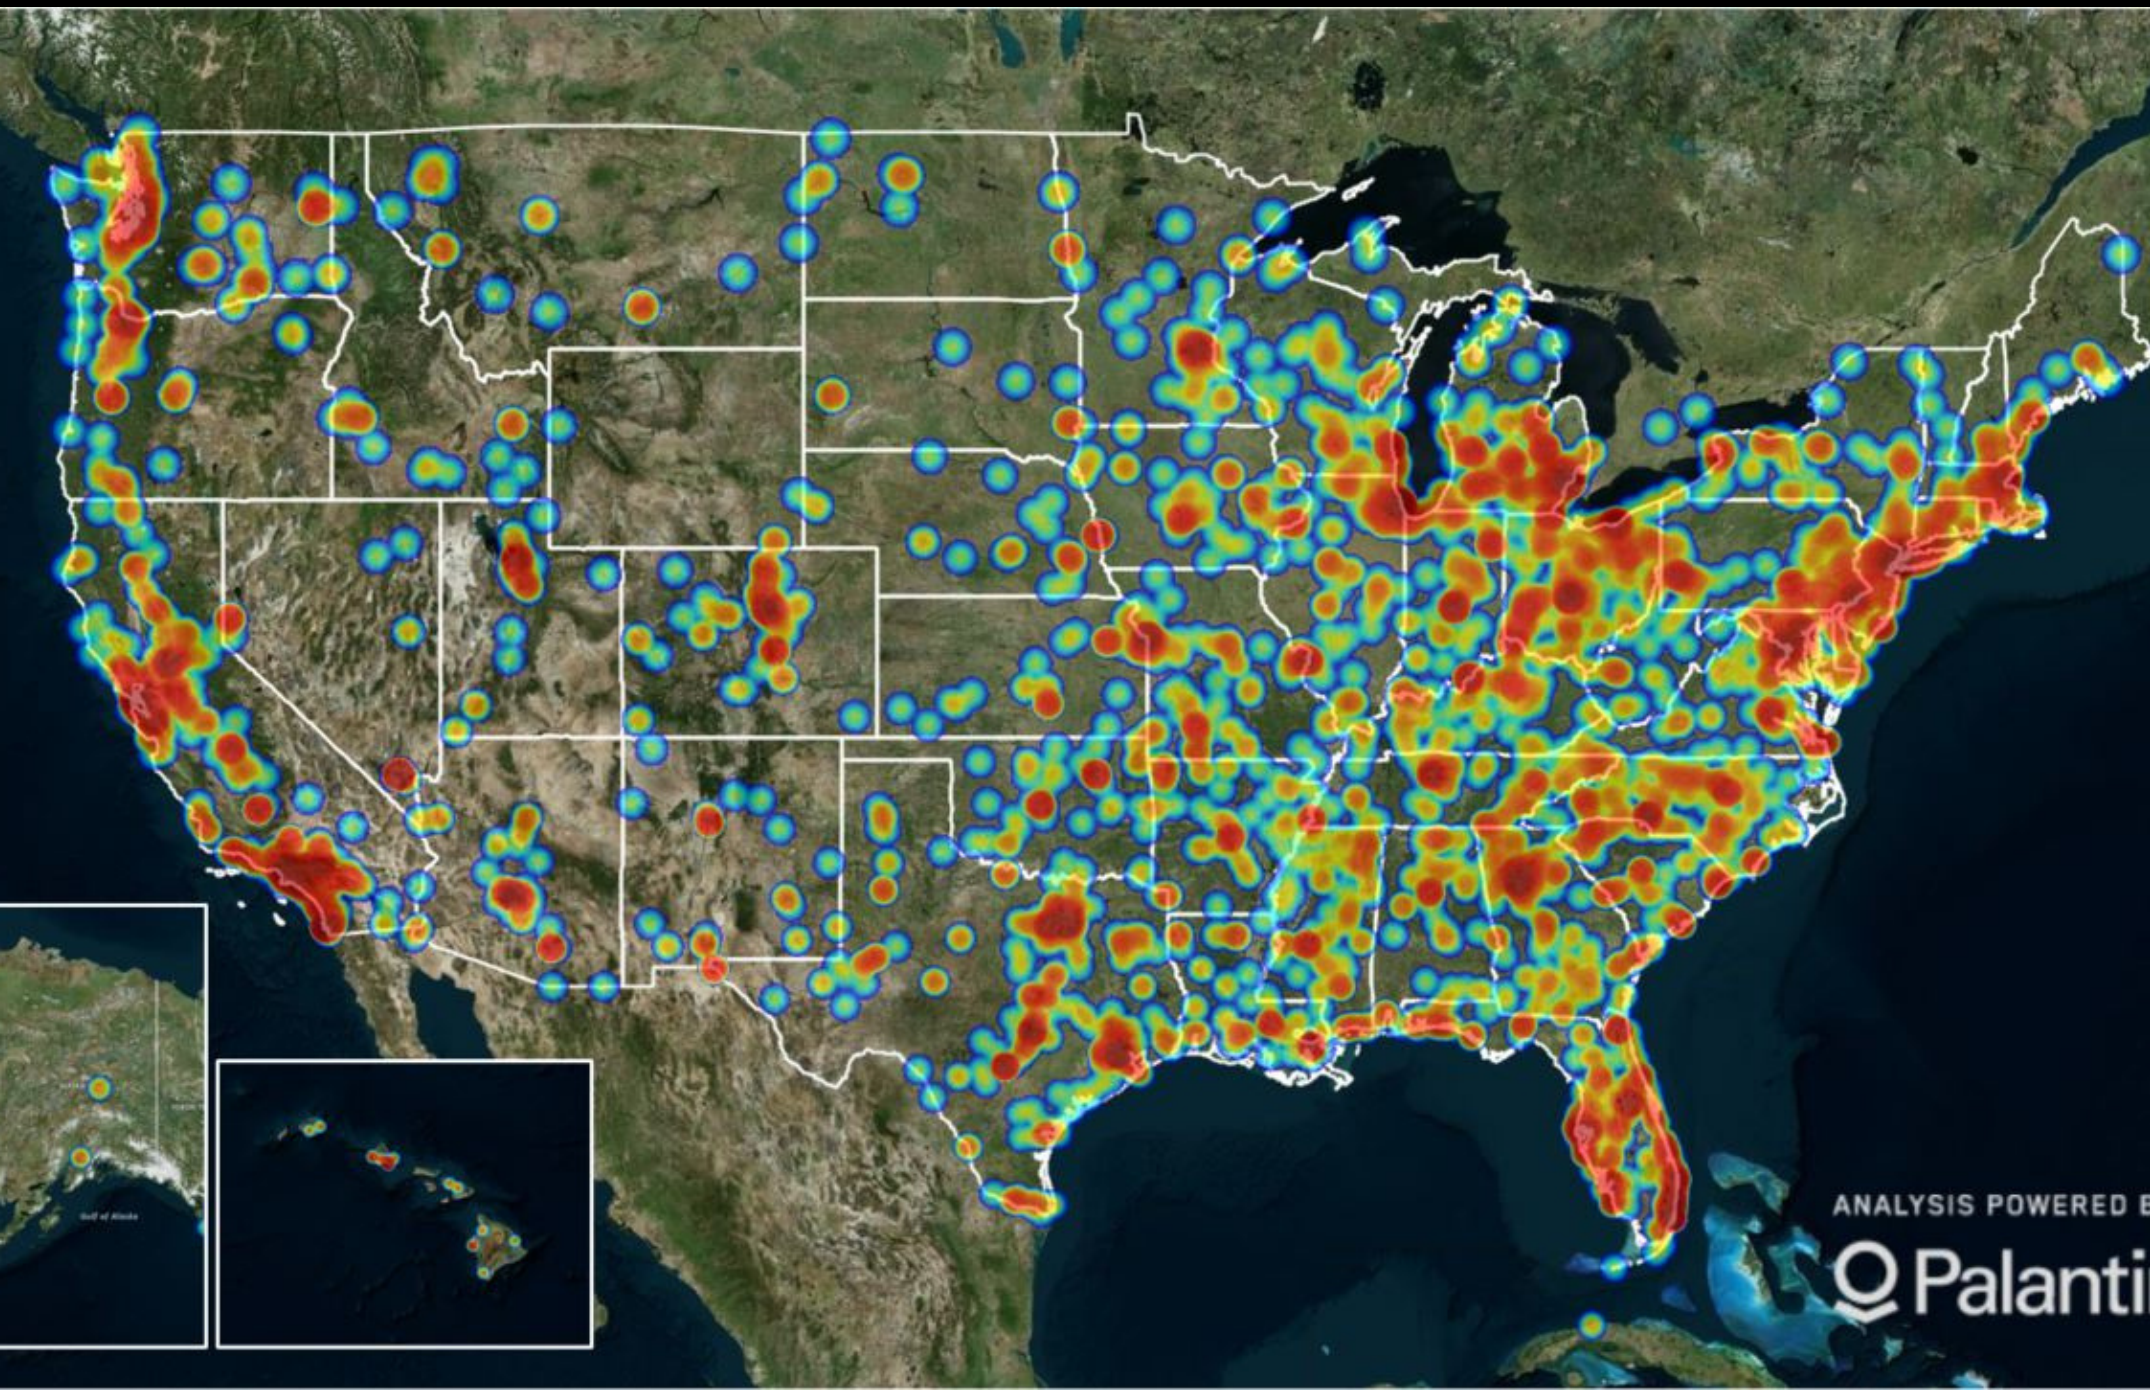

WHY ARE YOU TELLING ME THIS?

- Because 'Traffickers' (the bad guys) target children
- The average age of children targeted is Age 12
- Because bad people can talk you into things... they say things like "You can trust me" "Just between you and me" and "Don't tell your parents"
- There are 49.6 million people living in slavery today
- 1 in 4 of these are children... approx 10 million children

WHY DO TRAFFICKERS WANT KIDS?

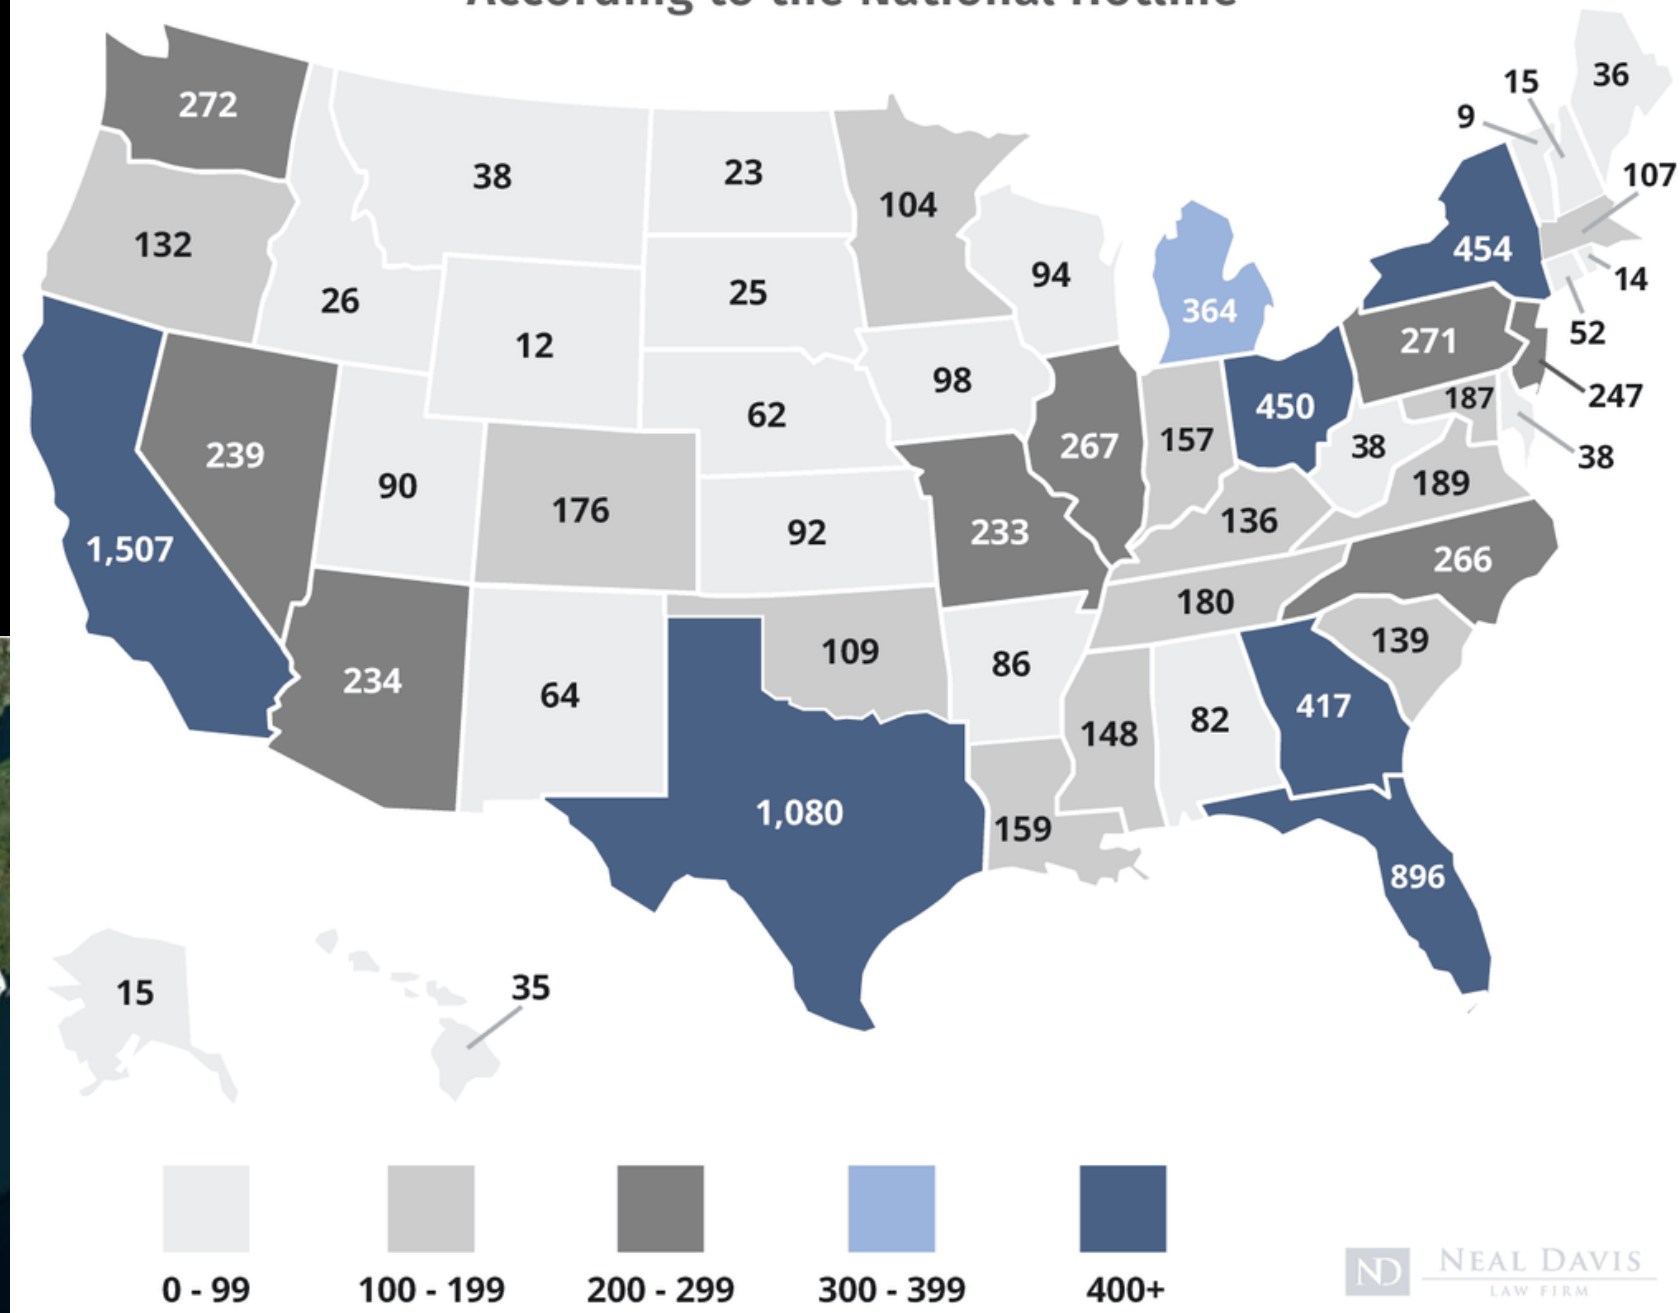

- They want to make money off of kids.
- They do this by selling their bodies or pictures and video of them to other bad people.
- Those bad people pay lots of money for young children.

DOES TRAFFICKING HAPPEN WHERE YOU LIVE?

Human Trafficking Cases by State (2019)

According to the National Hotline

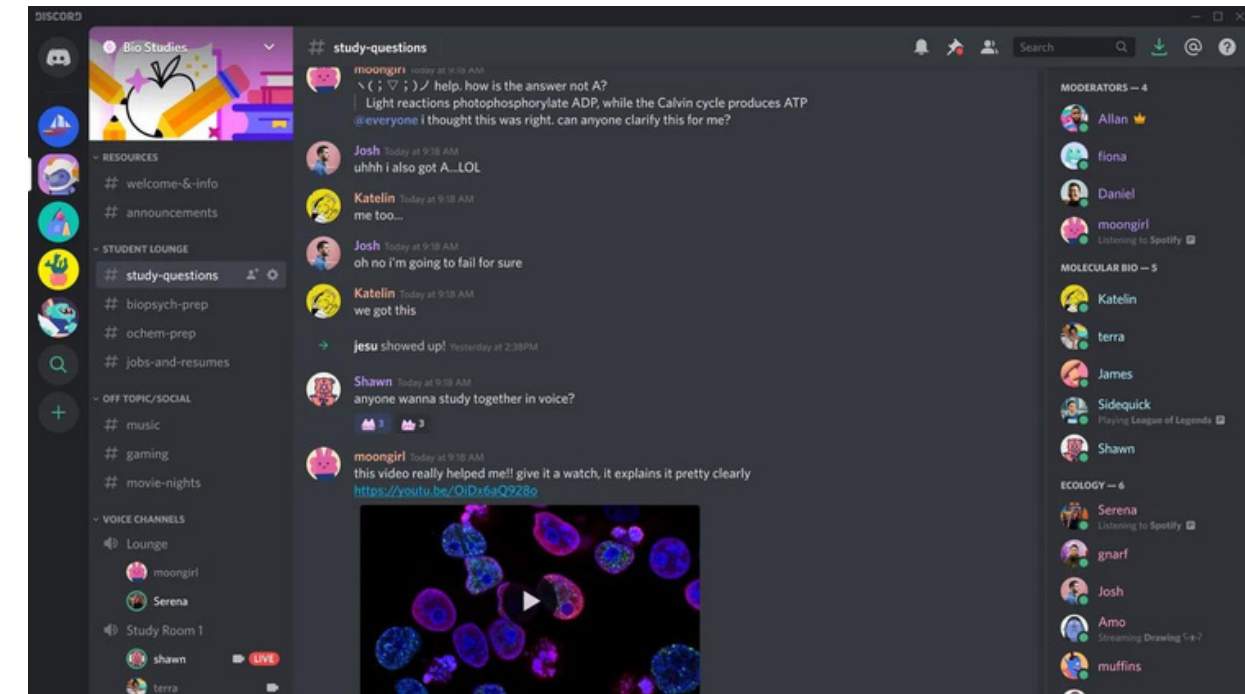

WHERE DOES THIS HAPPEN?

- Trafficking happens all over the world.
- Trafficking happens in Florida.
- Trafficking happens in Brevard County.
- We've met young people who have been trafficked in our community

HOW DO KIDS GET TRAFFICKED?

- Usually someone that has become your 'friend' and you think you know and trust.
- Not usually a random stranger or kidnapping. Sometimes even parents.
- The internet
 - Social media... Discord, Snapchat, Tik Tok, Instagram
 - Game chats... Xbox, Play Station, Roblox, Fortnite, Minecraft etc...

HOW CAN YOU PROTECT YOURSELF AND YOUR FRIENDS?

- Be smart on the internet and with strangers.
- Never give out personal information on social media or game chats or to adults you don't know. (ex. what sports or video games you like, what school you go to etc...)
- Be wary of new 'friends'. Adults disguise themselves as kids and teens in your community and online
- Never take or send pictures of yourself or friends. Especially without clothes off.
- Report anyone who asks you for personal information or asks for pictures/video to your parents or authorities.

HOW YOU CAN BE A FREEDOM FIGHTER...

- Listen, Look, Tell. If you see something... say something
- Report suspicious behavior on games or social media
- If someone shows you an inappropriate picture or video... tell a safe person. Do not ever share or forward inappropriate photos
- Watch for warning signs in friends
 - Being secretive about meeting people you don't know without their parents knowledge
 - Friends who seem withdrawn or sad
 - Friends who have bad behavior and/or bully other kids
